

HOMESHARING HAWAI'I

Hawai'i Intergenerational Network seeks your help

Together we can make a difference. Homesharing Hawai'i is a way to increase wellness, connect, inspire-share-exchange experience, knowledge and skills across generations, end isolation, assure more people can safely stay in their own homes as they age, and add more affordable homes on O'ahu. Homesharing Hawai'i finds home owners and seekers who are compatible and interested in sharing a home. We assist with background checks, introductions and follow-up. 9/24/20
