Board Member or Other Volunteer or Contractor), with the Hawaii Intergenerational Network. While conducting HIN business, I strive to keep others safe and I commit to:

- conduct meetings and training via video-conference or conference call whenever possible;
- conduct in-person meetings outside, while wearing a cloth mask and keeping at least six feet away from others, if needed, and there are five or less participants;
- wear a cloth mask and stay 6 feet away from others when, in a room with two or more people not in my family or household bubble, interviewing a home owner or home seeker after receiving an application and release of information for a background check, visiting a home for site visit, and meeting with a potential home sharing match;
- sanitize my hands each time before entering a home for a home owner or home seeker interview or home visit for participation in Homesharing Hawai'i;
- Take daily preventative actions as appropriate including but not limited to: wash hands frequently for 20 seconds each time, avoid touching eyes, nose and mouth, stay at least 6 feet away from others, stay home when sick, cover cough or sneeze with a tissue and throw it in

trash, clean and disinfect frequently touched objects and surfaces, and wear a cloth fask mask when in public;

- always have a supply of hand sanitizer, tissues, sanitizing wipes to use each time I touch surfaces or use equipment or appliances in common areas such as kitchen or bathroom;
- isolate myself in my bedroom, notify my housemate and call my medical professional about Covid testing should I have a fever or feel sick with any Covid 19 symptoms;
- abide by any Covid 19 precautions requested by housemates;
- Read the 2 page CDC Guidance on “Living in Shared Housing,” provided by HIN; and
- stay informed and follow local, state and federal guidance, mandates and laws to prevent exposure and/or spread of Covid 19 to keep each other safe while conductin HIN business.
